The Mustang Started to Grow On Me

Tammy Thompson's Journey from Girly Girl to Car Chic Monster

Our Mustang story started when my husband, Nate, and I met. He owned a 2002 Blue Mustang, that was pretty nice and I really knew NOTHING about cars!! Even when my cousin asked, "what kind of Mustang does Nate have," all I could say at the time was, "it's blue." I knew Nate loved his mustang and cars, but it really wasn't my thing. We went to MANY car shows and spent MANY anniversaries at Fun Ford Weekend in Richmond, VA. I would tease Nate ALL the time I wanted to learn to drive his car. LEARN is the key word there. I knew nothing about driving a standard car with a stick shift. All he would say was, "this car has too much power for you to learn on." I really never had interest in it—just liked teasing him and seeing his face when I asked.

Nate was so excited to get a super charger for it and two weeks later on his way to Mississippi he called to tell me he blew up the engine, and he was heartbroken. We had our ups and downs with that car. We even had started a small car club at Langley, but I never was to into the "car thing" then. He then was heading off to his first deployment and our son Austin was just turning one. Nate made me promise that if anything happened to him, that I would give Austin the car when he turned 16. All I thought of was, "what the heck am I going to do with this car for the next 15 years??" Well the funny part of this was, right after he came back from the deployment he decided that it was breaking down too much and not any fun to have anymore so he sold it.

So over the next decade or so, we both had a number of fun cars, one of them being my 6 speed Mini Cooper S. Nate had taught me, shortly after he sold the 2002 Mustang, how to drive a stick shift and about two and a half years ago he started to get that itch again to have another Mustang. All I kept thinking about were weekends in parking lots and lost nights in the garage and broken engines, saying to myself, "oh no, not again!! I wasn't looking forward to it. BUT Nate promised me he wasn't going to go crazy this time and he was buying this for us to have fun in. I will be honest, I couldn't see how this was going to be a family fun thing.

Tammy Thompson's Journey - continued:

So Late fall of 2015 during really bad flooding and storms, Nate and his friend headed up to Buda, TX to look at a red 2012 Mustang Shelby. He bought her, and she was named Ginger. She hasn't been an easy car to love and she's had her issues from the start. But Nate knew this time around that I knew how to drive this car. I teased him a lot to drive her, but he still wasn't in a hurry to let that happen. It wasn't until spring of 2016 that I saw how this car could be a fun family experience for us.

We had been living here in San Antonio for a few years, but really hadn't met a lot of people or had a lot of friends with the same interests yet. So one Friday night we decided to go to Biff Buzby's Burgers. Nate said he had heard about a car meet-up that was every week on Friday nights. Reluctant to go, but wanting to get out of the house, we headed on out to Biff's. This was a HUGE changing point for us both. We pulled in and parked next to a look-alike of Ginger. It was Paul Woeppel's red and white Shelby who had just had hail damage. That started up a conversation with Paul and Traci (Paul's girlfriend) right away. During that same night we met a lot of others with mustangs and started some amazing friendships. When we left Biff's that night, on the way home Nate and I were talking and he asked what I thought about this and being part of a club again. I told him they were all so nice, but I didn't want to get wrapped up into this "car thing" again. I was honest and told him I didn't want to sit in parking lot after parking lot every weekend. I didn't enjoy it the first time and didn't want to do it again. Nate agreed with me and left all the planning up to me of what we did or didn't do with our new car friends. WELL, that was two years ago this coming Memorial Day weekend! If you know us, you can see how that weekend changed our lives completely. Never in my wildest dreams, did I EVER guess I would be the car person I have become!!

After a few more trips to Biff's, we met more and more of you all and started to realize the "family" we had made. I was booking the calendar every weekend with events and finding myself sitting in a parking lots again. This time around, I didn't mind it at all because I had made some really great friends and was having so much fun with it. I was still bugging Nate to drive his car and he was still giving me a hard time and didn't want me to drive it. It took lots of me bugging him and lots of pressure from all our friends along the way, but slowly he started to let me drive Ginger. The more I drove her the more I really liked it. Nate would tease me that I was getting into this "car thing" and knowing a little more and liking a little more as time went on. I would say something about a mustang and shock myself about how much I knew. To this day I am still saying, "this is not me, I am not a car chick...I am a girly girl that likes pink and shiny stuff....who is this person I have become??"

I really never wanted a mustang, I just knew I wanted a convertible of some kind next. But since Nate let me drive Ginger the more the Mustang started to grow on me. Sometime last year I had decided that the next car I would buy would be a convertible Mustang. I was pretty sure I wanted a white California Special convertible. I also knew I wanted it to be a 2016 to 2018 because of the cooling seats. But I wasn't in a huge hurry, so I just kept dreaming about it. I kept shocking Nate when I started pointing out when I would see a California Special or other Mustangs that would have certain things or not have it. I think he realized I wanted it more than I even noticed. So in late December Nate told me that were going to start looking to get me one. I knew if we were going to start looking now, I would have to give and take on some of my wants, BUT the convertible was not one of them.

Tammy Thompson's Journey - continued:

Nate found a Grabber Blue one for sale. I wasn't really thrilled with the color—it wasn't even pick number 2 or 3 for me of colors, but I was still pretty excited to go look at it. After the test drive in the rain (couldn't even take the top down), I loved how it felt. I decided on the spot, Grabber Blue would be my color of choice. I knew driving her home I was going to need to get her some stripes because she was just too plain. Before too long I had my wish list of what I wanted for her and realized I have become that car girl I didn't think I was. I have only had her a few months, and named her "Kinky."

I have been enjoying showing her off and driving her down the road. Nate has also found that he created a monster with this whole thing. He is seeing that I have to have my car clean and shiny every weekend to go and sit in those same parking lots that I didn't want to sit in. Not only do I want to take my car to these shows, my competitive side comes out and I HAVE to win!! That's where my perfectionist and OCD come in to play. But I am also seeing how this is a family event for us and how it's brought us together. It takes all three of us, Nate, Austin and I to work together as a team to clean our cars for these car shows. We are so grateful for our Mustang family and friends we have made along the way here in San Antonio and how it's changed our lives these last three years. We look forward to more fellowship and fun in the years to come!!

The San Antonio Mustang Club (SAMC) is a San Antonio-based Club that also encompasses surrounding suburbs and smaller cities. SAMC is the first and largest Mustang Club in San Antonio. The Club was started in 1980 with only a handful of Mustang enthusiasts that

answered a newspaper ad and gathered in the Northstar Mall parking lot. The Club presently has grown to over 150 active members, with 80% being family memberships making the Club over 200 strong. We are dedicated to serving all those who own a Mustang, who are past owners, or who dream of owning a Mustang and just simply love the Ford-built muscle car. We work to educate Club members and the public about all generations of the Mustang and promote its appreciation. You do not have to own a Mustang to become a member.

If this is your first time attending our Club Meeting or reading this publication, welcome and thanks for choosing to visit! We encourage you to explore all that SAMC has to offer. Check out our website: SAMUSTANG.COM. If you have questions, please ask any member. If they can't help you or answer your question, they can definitely point you in the right direction!

President's Path

Article by
Paul Woeppel,
President

Welcome to May - the fifth month of the year in the Julian and Gregorian Calendars and the third of seven months to have a length of 31 days! What does that mean to you? ...another day to enjoy your Mustang! But, I would be remiss if I said April wasn't a lot of fun. A few SAMC members enjoyed running the Hill Country with A/C Cobras, Ford GTs and other exotic Ford cars....what a blast! On 15 April, 22 Mustangs rolled up to Kerrville, TX to celebrate the Mustang Birthday. They traveled down River Road to Leakey, TX and then up the Devils Backbone to Medina, TX to enjoy Lunch at the Apple Store....Great Burgers! On 17 April, 54 Mustangs converged on Dave and Busters to celebrate National Mustang Day! What a fun time that evening was.

The TX Corvette Association's car show was on 21 April, in Boerne, TX. SAMC was well represented, with about 7 Mustangs. Class Awards were won by Kathy Gunnoe, Tammy Thompson, and Becky Dowda! Way to Go!!

The Bulverde Car Show was on 7 April, in Bulverde, TX and several club members attended - former and current! Congrats to Jessica Sands for winning Best in Class, and to Craig Smith for winning a class award!

As mentioned at the last monthly meeting, the Draft By-Laws were submitted to the members at the meeting and were provided for comment on at the meeting and on the website. We will be voting on the Draft By-Laws at the May Membership meeting. The documents are available for download on our website. Please ensure you make the meeting so your vote can count.

The "Lone Star Mustang and Ford Round-Up" on 20 Oct 2018 is up and running. This event is designed to bring all the Mustang and Ford clubs in Texas together for a day of fun. We will be incorporating cruises, team activities, a rally and other events to make it a success. As a reminder, we are using this event to continue raising money for Dare to Love. We have begun the planning phases, so check your emails and help make this event a success. We are looking for Sponsors and Vendors to help add to the activities, so if you know anyone that may be interested, please have them contact us.

Our SAMC picnic is scheduled for 5 May, so please put it on your calendar and enjoy some good food and camaraderie with your fellow members. Finally, we try to keep up with all the Mustang and Ford Activities, as well as other car activities so please check our SAMC website's calendar. If you see an event to share with the club, please let the Board know and we will get it posted. If you have questions, please contact me, Paul Woeppel, at president@samustang.com.

SAMC Annual Summer Picnic will be at River Mountain Ranch Spring Creek Park, a few miles outside of Boerne, Tx on Saturday 6 May, from 11:00 am to 2:00 pm. Paul and Rene Read were gracious enough to get the facility for us which has a pavilion, electricity, running water and restrooms. Please register on the website if you plan to attend.

We also need volunteers to help serve the food and cook. So if you would like to help in any capacity, please let me know. Additionally, I would ask if you have any games, horse shoes, dominoes, etc that would be fun to play by all means bring them to the picnic.

We will have two meetups at the Walmart on Main Street in Boerne to caravan to the location. The first meetup will be at approx 9:00 am for those that want to volunteer or show up early. The second will be at approx 10:00 for the final group to caravan to the site. If you are running late and need us to wait for either time please call my cell 210-254-8313.

Again, please register on the website if you plan to attend so we can plan enough food. **The club will provide the Hamburgers, Hot Dogs and Sausages, condiments, and refreshments for the event.** Those attending need to bring either a dessert or a side dish.

After the picnic we will need to clean the facility, and then if anyone wants to, we can head off to Soda Pops in Boerne, Tx for the Hot Rod Night Cruise in.

March 24 - Hot Rod Night Season 8 Kick-off at Soda Pops Patio Grille & Bar in Boerne, TX

It isn't a hot rod kick-off without a group of Mustangs from SAMC!! Thank you Cathy Nelson for posting your photos of this event on Facebook so we can share it with everyone!

March 30 - Cruise to Opies, Wildseed Farms, Bluebonnets & Wine!

Several members of our club went on a beautiful cruise to Wildseed Farms and Opies BBQ in Spicewood, TX. Along the way, they also stopped to see the beautiful Texas Bluebonnets and then treat themselves to some wine tasting! Thank you everyone who took photos and posted them, and tagged me on Facebook so that they could be shared here in the Newsletter!

March 30 - Cruise to Opies, Wildseed Farms, Bluebonnets & Wine!

Bluebonnets!!! Thank you Bea Kalinowski for these beautiful photos, and for taking time to stop on FM 281, north of FM311. Bea said they were growing like crazy between the north and southbound lanes. Jerry Kalinowski and about 3 or 4 other cars got out and took pictures.

Saturday, March 31st - Lester's Car Show in Boerne

It was another great turn-out of cars for Lester's Car Show in Boerne, TX. Some of our SAMC Members attended and had their cars entered in the show. We are very proud to announce that **Tammy Thompson won Best In Class!!** Congratulations AGAIN Tammy on your family's hard work! Tammy said on her Facebook post, "Thanks everyone! I never would of guessed I could win, but it was a family affair. If I didn't have the help of Nate Thompson and Austin to help clean it, I wouldn't of gotten it done. It was an awesome day!" Thank you Tammy Thompson and Bea Kalinowski for your photos below that you posted on Facebook!!

Northside Mustang Car Club

SAMC linked together with the Northside Mustang Car Club (NMCC) in the Houston, TX area to make them a sister club. Below is information about NMCC, submitted to us by their President, Randy Weldon. A Calendar of their planned events will follow on the next page. Everyone is welcome to participate in their activities, and SAMC will make every effort to list them on our Calendar as well.

Northside Mustang Car Club (NMCC) was founded in June of 2009 and Chartered as a Regional Club by the Mustang Club of America creating 1 of 2 MCA Charter Clubs in the Houston, TX area.

Prior to being established, Mustang Owners had to travel over an hour to the west side of Houston to take part in organized Mustang Club activities as Members of the Mustang Club of Houston (MCOH). Today MCOH and NMCC work closely together to support each other and to deliver a larger positive impact for community outlook on the Mustang.

From inception, NMCC has been sponsored by Gullo Ford of Conroe/ The Woodlands whose charity, Gullo Christmas for Kids, ensures children always have a Christmas and is supported by our club as is Honor Flight Houston which flies Veterans back to Washington DC to see War Memorials either for their 1st or potentially last time.

Each year NMCC holds 2 major car shows, one in the April/May timeframe (Gullo's All Ford Show to support Gullo Christmas for Kids) and one in October, the "Camaro vs Mustang Faceoff" to support Honor Flight Houston. (The HTown Camaro Club supports their charity during this event, The 100 Club for families of fallen 1st responders.)

NMCC also holds an annual Austin Overnight Cruise in June to grab a bite to eat overlooking Lake Travis and drive through the Hill Country, later relaxing and telling stories around the hotel pool.

Recently working in conjunction with the HTown Camaro Club we started what is believed will become an annual event, the "Camaro vs Mustang Bragging Rights Drag Racing Event."

NMCC also holds a monthly Cruise-In for Charity Event called TWCC, monthly dinners the 3rd Thursday of each month and a monthly Cruise-In for Fun event, the JCI Street Meet.

As NMCC has grown, we've focused on areas of club Members' passion and created "committees" for each area of passion. As an example, we created an Open Road Course Track Committee and now have members for an Open Course Track Team. The same is true for the Autocross (AutoX) Committee, Drag Racing Committee, Membership Committee, Car Show Committee, Family Events Committee, Cruise Committee and the OMR (Old Mustangs Rule) Committee who were originally called the OGR (Old Guys Rule) Committee until one of the guys objected to being called old....

Thru the creation of committees NMCC has become very active. On any given weekend it's now not unusual for NMCC to be taking part in 5 or more events in or around the city of Houston.

NMCC works very hard on 2 issues as a major focus: 1.) No Cliques; and 2.) No Drama. All of us got involved in our local club to have Fun. We're fortunate enough to have a Board of Directors who works well together and is very committed to working hard for the club. We're well aware that there is no club without our Members and our Members are here to have FUN.

Over the past year as the committee's have taken off, we've developed a slogan that we live, "Get Off the Couch with That Little Ol' Club from Texas, NMCC!"

We look forward to working closely to support SAMC and encourage any

SAMC Member finding themselves in the Houston area to come out & play with us.

Photos downloaded from posts on Facebook where Nate Thompson was tagged. Thanks to Cheryl Daugherty Lewis, who took these pictures, so that we can all enjoy them!!
